Dress Code Policy

Good Shepherd Catholic Primary School Springfield Lakes recognises that the wearing of the school uniform is an important part of creating a sense of belonging to a community, as well as enjoying a sense of identity for students as part of the school community. The daily ritual of putting on the school uniform signifies for the student the purpose of learning in a religious/spiritual environment. The students are encouraged to say a simple prayer acknowledging as they dress in the uniform, that they are commencing a new day of educational learning. The wearing of the school uniform contributes in a meaningful way to ensure that each student has pride in being a member of the Good Shepherd Catholic School community.

Good Shepherd Catholic Primary School students ought at all times present a positive image to the community where they are in regular contact with the school and the wider community. A student's standard of grooming is a reflection of Good Shepherd's values and traditions, as well as reflecting the student's willingness to be a responsible member of the school's community.

Policy Implementation

Guided by our Mission Statement, Good Shepherd Catholic Primary School encourages children to take pride in themselves and their school identity through the wearing of the approved school uniform. The school uniform endeavours to take into account the Queensland Government SunSmart requirements (Sun safe – sleeves and collars; hat with brim; breathable material, with sun-safe factor rating). The uniform is a smart wearable and practical design – easy for parents and staff to enforce. The colours for the uniform are derived from our school logo and are considerate of the climate at Springfield Lakes. Notably the uniform is affordable for families.

The Good Shepherd Catholic Primary School uniform:

- Reflects the ethos and values of our school.
- Develops a sense of student unity, pride, discipline and loyalty to our school and to its vision.
- Reflects the respect and dignity that students have in themselves, each other and the school community as a whole.
- Reflects equity for all and an identity which enhances the school spirit.
- Focuses on a sense of safety and well-being especially when travelling to and from home.
- Focuses on the real purpose of schooling i.e. the development of an individuality of intellect, imagination and personality.

It is the responsibility of all parents to ensure that students are attired in correct, well-fitting, complete school uniform.

Uniforms must be in good condition and repair. Full school uniforms (formal or sports) must to be worn during school hours and to and from school. On designated occasions, students may be permitted to wear **“free dress”**. Students should wear enclosed footwear, a hat and casual wear which is appropriate for school. This excludes overly expensive, immodest or clothing bearing vulgar or offensive words or graphics and/or unacceptable hair styles.

If students and parents choose not to follow the school's dress code policy, the Principal may choose to withdraw the child from the class and school events and/or contact the parents to collect the child. The student will not be permitted to return to school until the issue has been resolved and the student and parents support the school in following the school policy.

If an accident or difficulty prevents the student from wearing the full uniform on any particular day, parents are required to send a note of explanation to the child's class teacher.
