GOOD SHEPHERD’S RELIGIOUS LIFE OF THE SCHOOL

SPIRITUALITY AND CHARISM

Good Shepherd has been placed under the patronage of Venerable Catherine McAuley, Foundress of the Sisters of Mercy and therefore draws its charism from the ways of Catherine McAuley. Each year our new staff induction Program focuses on the Mercy traditions and their impact on the school’s mission.

Catherine McAuley was the foundress of the Sisters of Mercy, a religious order, initially, dedicated to the education of poor young catholic women of Dublin and is now a worldwide order where the education and rights of all young people are first and foremost in the minds of the educators. Catherine McAuley grew up in Ireland (born 1778) at a time when Catholics, who were approximately 75 – 80% of the population, were amongst the poorest of the poor. Due to family circumstances Catherine was personally spared a life of poverty but her observations of Catholic families living in slums rife with disease and epidemics, lacking in education and full of wide spread begging never left her memory. She commenced her “mercy works” early in life, led by her strong Catholic faith; Catherine always wished to give something to the poor. Catherine soon grew to realise that the way to help the young women of Ireland was through education and refuge. In 1827 the House of Mercy was opened and on the 12 December 1831 the congregation of the Sisters of Mercy was established. Catherine’s strong desire to follow in the footsteps of Jesus led to voluntary poverty for all Sisters of Mercy and so Catherine’s mission, to be credible with the poor, meant it necessary to live in solidarity with them. Catherine McAuley died on the 11 November 1841 and her legacy lives on through every Mercy school throughout the world.

Catherine’s deep faith in God who is Mercy, and her experience of the pain of poverty, shaped her prayer and, in turn, her prayer shaped her ministry. Mercy spirituality is based on this lifelong journey of discovery of the Mercy of God, which is so often found in the lives and struggles of the suffering and the poor. This year being the Jubilee year of Mercy has provided the community with opportunities to focus on the Works of Mercy in action. Also, the spiritual journeys of Mary MacKillop was influenced by Jesuit, Passionist, Marist and Celtic, Franciscan spiritualities. Elements of these great traditions formed the foundation of Good Shepherd’s prayer and devotion.

**The purpose of the Catholic school is the development of human beings steeped in the profound human values embodied in Jesus Christ.**

Catholic schools nurture students’ faith and lead them to deepen their relationship with God through prayer and celebration, their growing knowledge and understanding of the Scriptures and Catholic Tradition, and action in the world for peace and justice.

Our goal is to **enhance our Catholic identity**, in a language that reflect and recognises God’s presence permeating throughout Good Shepherd Catholic Primary School. We do this by strengthening the integration of faith, life and culture, inviting students to discover God’s presence in their daily lives and engaging them in a dialogue between their life experiences and Catholic teaching.

In this way they may grow in understanding of themselves and their world in light of the Gospel and be empowered to take responsibility for themselves and for creating a just society.

Further, our goal is to **build a community of faith and hope**, where we are all inspired by the person and teachings of Jesus Christ and imbued with the Holy Spirit, and work together for the benefit of each member of the school community.

**PRAYER AND WORSHIP**

Good Shepherd nurtures the Christian prayer life of its community through such ways as:

- Teaching and using a variety of traditional prayers and devotions for individual and communal use
- Scheduling time to allow for prayer and worship across the school (School Timetable)
- Immersing students in diverse experiences of prayer e.g. meditation
- Teaching about the charism and prayer life of the saints that their building is named for (e.g. Ignatius Designing Place + The Examen).

**EVANGELISATION AND FAITH FORMATION**

Good Shepherd fosters the call to **live the gospel** through such ways as:

- Reflecting the life and message of Jesus Christ through routines and practices e.g. hospitality and outreach
- Establishing policies, practices and structures that promote inclusion and a sense of belonging to a Christian community
- Presenting the gospel message in engaging ways
Good Shepherd nurtures the **spiritual formation** of each individual through such ways as:
- Providing faith formation experiences for students, staff and parents
- Providing opportunities to express spiritual awareness through the creative arts
- Celebrating the religious unity and diversity within the school community

Good Shepherd **witnesses to the wider community** through such ways as:
- Building collaborative relationships with the parish and local Church
- Participating in the life of the local community e.g. service organisations, youth ministry, aged-care
- Engaging with students from other schools to give witness to the beliefs and values of the Catholic tradition (Combined school and Parish Mass each year during Catholic Education Week)

**SOCIAL JUSTICE AND ACTION**

Good Shepherd practises **justice within its own community** through such ways as:
- Identifying, implementing and promoting policies, structures and practices that respect the rights and dignity of all members of the school community
- Applying Christian stewardship to the resources and environment of the school
- Establishing just processes of discernment and critical judgement when making decisions

Good Shepherd **acts for justice** through such ways as:
- Implementing policies and practices within the school that nurture a generosity of spirit
- Reviewing and monitoring the complexity and expense of experiences offered by the school in light of catholic social teaching
- Engaging with student initiated and/or local justice projects as part of the curriculum

Good Shepherd consciously **reflects on its action for justice** through such ways as:
- Incorporating practices of review and critique in relation to current actions for justice within the school community
- Building a reflective component into school social justice practices, celebrations of significant events, and prayer life

Good Shepherd’s programs, activities and experiences for the classroom learning and teaching of religion and the religious life of the school are responsive to religious diversity, while being faithful to the Catholic Christian identity of the school.
