# ENROLMENT POLICY

## Introduction:

Good Shepherd Catholic Primary School Springfield Lakes is administered by Brisbane Catholic Education and the **Policy Statement** for Enrolment of Students in Catholic Schools is as follows:

*“Catholic schools in the Archdiocese give priority in enrolment to students who are baptised Catholics. Schools may also enrol students from other faith traditions whose families demonstrate that they share in the expressed values of the school. In such instances schools embrace church teachings regarding respect for the faith journey of individuals within the religious dimension of school life.*

*The process of enrolment is to be guided by principles of justice and equity that support Catholic ethos and vision.”*

*Good Shepherd Catholic Primary School Springfield Lakes is considered a Dialogue School. We believe that the Catholic faith offers a meaningful and valuable message that everyone should hear, albeit without the intent to make all the students Catholic. As a Dialogue School, Good Shepherd Catholic Primary School Springfield Lakes expresses a clear preference for a particular position – namely the Catholic position – out of which to engage others in dialogue.*
